

UFF-UCF Chapter Reimbursement

Take a Non-member to Lunch

Since we all have colleagues who have told us they might/would/thought about joining UFF, we want to facilitate a chance for recruitment. Research says it takes 7 “asks” for some folks to join, and while we don’t want you to take the same person to lunch 7 times, if you think you have a colleague who has been thinking about joining UFF and just needs a little more persuasion, we are subsidizing these recruitment occasions with UFF state rebate funds.

How it works: Any UFF-UCF Member can be reimbursed (up to \$15 per person) for taking a Non-member to lunch. These lunch meetings will give Members an opportunity to present the benefits of belonging to the union and extend an invitation to join. There are membership forms (or talk to Joe Sanborn, Membership chair) and other information on the Website which you will want to bring to lunch with you. Invite, lunch, and send this form and receipts to Stan Smith.
