

UFF-UCF Chapter Reimbursement
Take a Non-member to Lunch

Since we all have colleagues who have told us they might/would/thought about joining UFF, we want to facilitate a chance for recruitment. If you think you have a colleague who has been thinking about joining UFF and just needs a little more persuasion, we are subsidizing these recruitment occasions with UFF state rebate funds.

How it works: Any UFF-UCF Member can be reimbursed (up to \$15 per person) for taking a non-member to lunch. These lunch meetings will give Members an opportunity to present the benefits of belonging to the union and extend an invitation to join. Membership forms are on the website (<http://www.uffucf.org/include/documents/membership/membership.pdf>); print some forms and bring them to lunch with you. When you are done, send this form and receipts to Stan Smith.
