2 ***UFF INSURANCE DEDUCTION***

3

4 The University agrees to provide one payroll deduction per  
5 employee per pay period for the UFF voluntary economic services  
6 programs. All such programs and deductions shall meet  
7 requirements of State and University rules and regulations. The  
8 UFF shall provide the University with a written report by July 31 of  
9 each year regarding any program requiring payroll deduction. This  
10 report shall include the name of the common remitter company, a  
11 list of the provider companies that are to receive remittances, the  
12 appropriate contact people for the common remitter and  
13 associated provider companies, and addresses and phone  
14 numbers.
