UFF PRIVILEGES

3.1 Use of Facilities and Services. Subject to the rules and policies of the University, the UFF shall have the right to use University facilities for meetings and to use all other services of the University on the same basis as they are generally available to University-related groups and organizations.

3.2 Communications.

(a) The UFF may post bulletins and notices relevant to its position as the collective bargaining agent on at least one bulletin board per building where employees have offices. Specific locations within a building shall be mutually selected by the University and the local UFF Chapter. All materials placed on the designated bulletin boards shall bear the date of posting and may be removed by the University after having been posted for sixty days. In addition, such bulletin boards may not be used for election campaigns for public office.

(b) The University shall place a link to the local UFF Chapter website at www.collectivebargaining.ucf.edu.

3.3 Leave of Absence -- Union Activity.

(a) At the written request of the UFF, provided no later than May 1 of the preceding academic year when such leave is to become effective, a full-time or part-time unpaid leave of absence for the academic year shall be granted to up to two employees designated by the UFF for the purpose of carrying out UFF's obligations in representing employees and administering this Agreement, including lobbying and other political representation. Such leave may also be granted to one employee for the entire summer term, upon written request by the UFF provided no later than March 15 of the preceding academic year. Upon the failure of the UFF to provide the University with a list of designees by the specified deadlines, the University may refuse to honor any late requests.

(b) No more than two employees from any college/unit, nor more than one employee per fifteen employees per department/unit, shall be granted such leave at any one time.

(c) The UFF shall reimburse the University for the employee's fringe benefits.

(d) Employees on leave under this paragraph shall be eligible to receive salary increases in accordance with the provisions of the Leaves Article 17.

(e) An employee who has been granted leave under this Article for four consecutive academic years shall not again be eligible for such leave until one academic year has elapsed following the end of the leave. One employee, designated by the UFF, shall be exempt from the provisions of this subsection. Other exceptions may be granted at the discretion of the University upon prior written request by the UFF.

(f) The University shall not be liable for the acts or omissions of said employees during the leave and the UFF shall hold the University harmless for any such acts or omissions, including the cost of defending against such claims.

(g) An employee on such leave shall not be evaluated for this activity nor shall such activity be considered by the University in making personnel decisions.

45 **3.4 Released Time.**

46 (a) The University agrees to provide released time each calendar year to full-time
47 employees designated by the UFF for the purpose of carrying out the UFF's obligations in
48 collective bargaining negotiations, contract enforcement and grievance representation. The
49 Parties shall take coordinated action to facilitate an adequate and mutually convenient
50 bargaining schedule. A maximum of five units of released time shall be granted during each
51 spring and fall semester and four units in each summer session.

52 The UFF may designate employees to receive released time during the year subject to
53 the following conditions:

54 (1) A maximum of three released time units per semester shall be granted to
55 employees in any one college. No more than one employee per department shall receive
56 course releases.

57 (2) The UFF shall provide the University with a list of designees for the academic
58 year no later than May 1 of the preceding academic year. Substitutions for the spring
59 semester shall be made upon written notification submitted by the UFF to the University no
60 later than November 1. A list of designees for the summer shall be submitted no later than
61 April 15 preceding that summer.

62
63 (b) Each "unit" of released time shall consist of a reduction in teaching load of one
64 course per fall or spring semester for instructional employees or, for non-teaching
65 employees, a reduction in workload of ten hours per week, which shall include a 25%
66 reduction in assigned duties. One unit of released time may be used during the summer
67 term at a rate of 12.5% of the employee's nine-month salary and shall be considered the
68 equivalent of one summer term course's FTE for instructional employees. For non-
69 instructional twelve-month employees, one unit of summer released time shall include a
70 reduction in workload of ten hours per week, which shall include a 25% reduction in
71 assigned duties.

72
73 (c) Released time shall be used only by members of UFF's designated collective
74 bargaining team and by the UFF's designated grievance representatives, at the University
75 or state level, and shall not be used for lobbying or other political representation.

76 (d) Employees who are on leave of any kind shall not be eligible to receive released
77 time.

78 (e) Upon the failure of the UFF to provide a list of designees by the specified deadlines,
79 the University may refuse to honor any released time requests that were submitted late.
80 Substitutions submitted after the November 1 deadline shall be allowed at the discretion of
81 the University.

82 (f) An employee who has been granted released time for either or both semesters
83 during four consecutive academic years shall not again be eligible for released time until
84 two academic years have elapsed following the end of the fourth academic year in which
85 such released time was granted.

86 (1) As an exception to this limitation, three employees designated by the UFF shall
87 be eligible for released time for responsibilities at the UFF state level for one additional
88 year. These employees shall not again be eligible for released time until two academic
89 years have elapsed following the end of the fifth academic year of released time. These
90 employees shall be identified by the UFF no later than May 1 of the preceding academic
91 year; substitutions may be approved by the University at its discretion.

92 (2) One employee, designated by the UFF, shall be exempt from the released time
93 limitations of Article 3.4(f). Other exceptions may be granted at the discretion of the
94 University upon prior written request by the UFF.

95 (g) Employees on released time shall be eligible for salary increases on the same basis
96 as other employees. Their released time activities shall not be evaluated and the University
97 shall not use such activity against the employee in making personnel decisions.

98 (h) Employees on released time shall retain all rights and responsibilities as employees
99 but shall not be considered representatives of the University for any activities undertaken on
100 behalf of the UFF. The UFF agrees to hold the University harmless for any claims arising
101 from such activities, including the cost of defending against such claims.
